10 Practice Fusion Practice Fusion EHR

HOW THESE RANKINGS WERE GENERATED

This ranking was determined using a number of factors including industry standing, public opinion of software, social media presence, and available software features relevant to the needs of a small business. This ranking should serve as a rough estimate of software suitability, and more in-depth analysis can be taken below or by using our EHR software comparison.

SHORTLISTING EHR VENDORS CHECKLIST

1

Research EHR employed by similar sized practices in the same specialty

2

Identify market leading solutions which offer some support in your specialty

3

Leverage professional network for recommendations based on their experience

4

Identify any specialty-specific EHRs

5

Compile initial shortlist of vendors

6

Produce an RFI document and send to vendor shortlist

7

Narrow shortlist based on RFI responses

8

Compile requirements and business processes in an RFP document

9

Narrow shortlist based on RFP responses to produce final shortlist

SENDING EHR RFP CHECKLIST

1

Provide practice background

2

Provide project background - why are you selecting a new EHR?

3

Provide in-depth, end-to-end timeline for EHR selection and implementation

4

Outline all EHR requirements and their priority

5

Request at least three references from practices similar to your own

6

Request information on vendor implementation team personnel and their experience

7

Provide a deadline for RFP responses and information on when you'll be in contact

8

Send out RFP to EHR vendor shortlist

WHY NOT CREATE YOUR OWN COMPARISON?

With our free comparison engine you can build your own side-by-side comparison of leading EHR solutions. Narrow down your shortlist using filters including:

- Software Features
- Delivery Platform
- Practice Size
