EXTENDED PROFILE

NEXT STEP SOLUTIONS

OVERVIEW

NextStep is an ONC-ATCB, CARF and JCAHO certified EHR solution built specifically for behavioral healthcare. We support clinicians by providing the tools they need to seamlessly manage the clinical and business side of their practice. NextStep offers flexible workflows that help boost staff productivity, comprehensive medication management for greater accountability, and clinical outcomes tools that measure your clients' progress and improve their quality of care. We offer an integrated suite of business solutions supported by our SMART billing engine, customized reports, and interactive dashboards, resulting in an improved bottom line for our customers. We also have an in-house billing service backed by a team of behavioral health billing experts who can manage your entire revenue cycle, or just the parts and pieces you don't have time to do yourself.
