Raintree's Business Intelligence

BI provides:

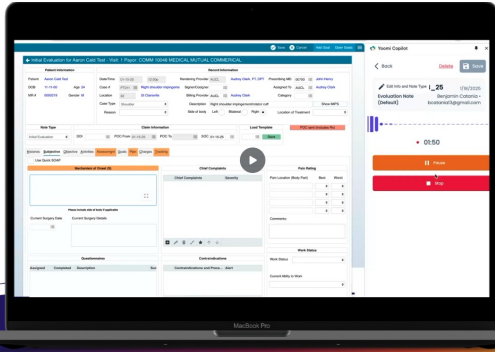

- Proactive alerts, notifications, and trends
- Interactive data with drill downs and drill throughs
- 10 standard therapy-specific dashboards
- Clinical benchmarking to monitor your clinical scores and compare to other groups
- Financial factoring to compare actuals to optimal collections to ensure you are collecting as much as you can

ScribeIQ™

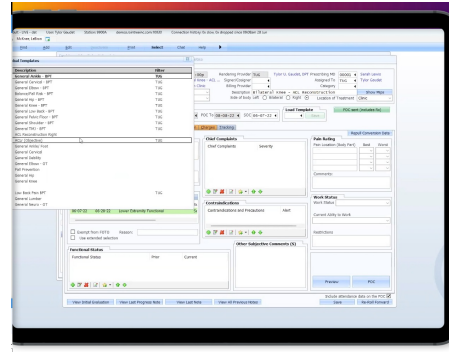

Experience increased provider satisfaction and improved quality and completeness of documentation.

5 Minute Evaluation

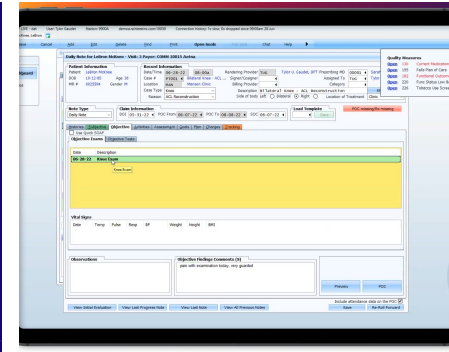

Reduce documentation time while improving quality with:

- ScribeIQ
- Specialty templates
- Automated workflows and task management

2 Minute Daily Notes

Experience daily note efficiency with copy forward and automated coding from documented activities

Mobile Provider Schedules

- Provider-friendly: Simple and efficient appointment management with one-click access to directions.
- Integration with Google Maps: Provides turn-by-turn directions from the provider's location to the patient's home.
- EVV: Quickly collect electronic visit verifications from your cell phone.
