ZHEALTH

EXTENDED PROFILE

OVERVIEW

zHealth is an award-winning, all-in-one practice management platform designed exclusively for wellness providers including chiropractors, massage therapists, acupuncturists, and physical therapists.

From solo providers to growing multi-location clinics, zHealth helps wellness practices increase new patient acquisition, improve retention, and streamline clinic operations.

The platform combines online scheduling, EHR, billing, patient communication, payments, reviews, recall, and reporting into a single, easy-to-use system. With AI-powered features like intelligent automation, speech-to-text documentation, AI scribe (coming soon) and smart reminders, clinics can reduce manual work, eliminate inefficiencies, and focus more on patient care.

zHealth enhances the patient experience with online booking, mobile apps, digital intake forms, automated reminders, and a modern patient portal, while giving practices full control over workflows, payments, and performance insights. Built for growth, security, and simplicity, zHealth empowers chiropractors to run smarter, more efficient practices.
